

Independent Auditor's Report to the Shareholders of Borouge PLC

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Borouge PLC (“Borouge” or the “Company”) and its subsidiaries (the “Group”), which comprise the consolidated statement of financial position as at 31 December 2025, and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including material accounting policy information.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Group as at 31 December 2025, and its consolidated financial performance and consolidated cash flows for the year then ended in accordance with IFRS Accounting Standards as issued by the International Accounting Standards Board (IASB).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (“ISAs”). Our responsibilities under those standards are further described in the Auditor’s responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) (the “IESBA Code”), as applicable to audits of financial statements of public interest entities, together with the ethical requirements that are relevant to our audit of the consolidated financial statements in the United Arab Emirates, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters.

Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Property, plant and equipment

As of 31 December 2025, the Group’s property, plant and equipment amounted to USD 6.1 billion representing 72% of the Group’s total assets as of that date. This balance includes Capital Work-in-Progress (CWIP) amounting to USD 228 million representing 297 capital projects in progress. During the year, capital work in progress amounting to USD 116 million was completed and transferred to the respective categories of property, plant and equipment and depreciated in accordance with the Group’s depreciation policy. Considering the magnitude of the amount and the risk surrounding it in terms of assessing the eligibility of costs capitalized during the year in line with IFRS requirements; this has been identified as a key audit matter to be reported in our audit report.

The audit procedures performed to address this key audit matter include the following:

1. We reviewed the Group’s policies and procedures for capitalization of project costs and assessed their compliance with the requirements of IFRS;
2. We tested the relevant controls over capitalization of project costs;
3. We performed substantive audit procedures over a sample of project costs capitalised to check adherence to the Group’s policies and procedures, and compliance with the requirements of IFRS. This included management’s processes and controls around identification of project costs eligible for capitalization, staff cost capitalization, inventory items etc.;
4. We held discussions with project managers for significant projects and inquired about their budgeted and actual costs incurred to complete the project;
5. We have reviewed management assessment made relating to the change in useful life of different components of property, plant and equipment and we performed substantive procedures including inquiries with management in relation to aforesaid change in estimate; and
6. For a sample of projects, we checked the date of project capitalization against supporting documents such as completion certificates received from contractors to verify that depreciation has been charged from the capitalization date.

Independent Auditor's Report to the **Shareholders of Borouge PLC** (continued)

Other information

Other information consists of the information included in the Board of Directors' report and the annual report other than the consolidated financial statements and our auditor's report thereon. We obtained the Board of Directors' report prior to the date of our audit report and we expect to obtain the annual report after the date of our auditor's report. Management is responsible for the other information.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and the Board of Directors for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with IFRSs and in compliance with the applicable provisions of the Company's Articles of Association and the Companies Regulations 2020 of Abu Dhabi Global Market, and for such internal control as management determines is necessary to enable the preparation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Group's financial reporting process.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

Independent Auditor's Report to the **Shareholders of Borouge PLC** (continued)

Auditor's responsibilities for the audit of the consolidated financial statements (continued)

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the Group as a basis for forming an opinion on the consolidated financial statements. We are responsible for the direction, supervision and review of the audit work performed for the purposes of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, action taken to eliminate threats or safeguards applied.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Further, as required by the Companies Regulations 2020 of ADGM, we report that, in our opinion:

- The consolidated financial statements include, in all material respects, the applicable requirements of the Companies Regulations 2020 of ADGM; and
- the financial information included in the report of the Board of Directors is consistent with the books of account and records of the Group.

Further, as required by the Abu Dhabi Accountability Authority Chairman Resolution No. 88 of 2021 pertaining to Auditing the Financial Statements of Subject Entities, we report that based on the information provided to us, nothing has come to our attention that causes us to believe that the Company has not complied, in all material respects, with the law of establishment of the Company and relevant provisions of the applicable laws, resolutions and circulars organising the Company's operations, which would materially affect its activities or the consolidated financial statements of the Company as at 31 December 2025.

For and on behalf of Ernst & Young - Middle East (ADGM Branch)

Walid Nakfour
